

H.K.E. Society's
S.L.N. College of Engineering, Raichur
Report on International Women's Day (IWD)

In accordance with VTU circular dated: 02-03-2020, Women's Cell of SLN College of Engineering observed **International Women's Day** in the college premises on **05-03-2020**. **Dr. Parvathi C S**, Chair Person, Department of Instrumentation and Technology, GUG PG- Centre, Raichur was invited as chief guest for the function.

The event started with the blessing of god with an invocation by Ms. Prabha Kambar of Mechanical department. The dignitaries joined their hands together for watering the plant.

Dignitaries on dias from Left to right: Dr. Parvathi C S and Prof. Gangamma L

The motivational talk of chief guest included social, economical, political and cultural achievements of women.

Chief Guest: Dr. Parvathi C S Addressing the gathering

The target audience for the event IWD were Lady faculties and girl students of institution. Some of the students shared their opinion about women's achievements in various areas.

Participant sharing her opinion

At the outset this event was a grand success and to conclude through this event the various achievement and accolades of great women were highlighted. The outcome of this was to make everyone of our institution to know the remarkable contribution of women to the society.
